23,690

Clinical Expertise

IU Health offers a full range of specialty and primary care services for children and adults, including the following areas of clinical expertise:

Cancer: With more than 200 physician researchers leading the way to new treatments, IU Simon Cancer Center is an exceptional treatment resource and Indiana's only National Cancer Institute-designated patient care center.

Cardiovascular: Recognized by *U.S. News & World Report*, IU Health Cardiovascular specialists treat some of the most complex cases, offer unequalled care, combine innovative technology with advanced procedures and have a strong reputation for patient safety.

Neuroscience: One of the largest programs in the country, and the only one in Indiana recognized by *U.S. News & World Report*, IU Health Neuroscience provides a full range of neurological and neurosurgical services along with access to the latest research and treatment options.

Orthopedics: As Indiana's only orthopedics program ranked by *U.S. News & World Report*, IU Health Orthopedics provides comprehensive joint, spine, bone and muscle care for adults and children.

Pediatrics: The only Indiana hospital ranked among the top children's hospitals in the nation by *U.S. News & World Report*, Riley Hospital for Children at Indiana University Health offers comprehensive children's care — from the routine to the most complex.

Transplant: IU Health Transplant is the only comprehensive transplant program in Indiana and the nation's fourth-largest solid-organ transplant center. Outstanding expertise, short wait times and positive outcomes make it the ideal choice for patients.

IU Health Physicians

A collaborative partnership with Indiana University Health and Indiana University School of Medicine, IU Health Physicians is the fastest growing, most complete physician practice group in the state. Comprised of both primary and specialty care physicians, the group has more than 560 board-certified and board-eligible physicians, 170 advanced practice providers and 1,000 staff at more than 70 locations.

National Recognition

- Eight clinical programs ranked among the top 50 national programs in *U.S. News & World Report's* 2011-12 Best Hospitals.
- Ten specialty programs at Riley Hospital for Children at IU Health ranked among the top children's hospitals in the nation.
- Six hospitals designated as Magnet® hospital systems by the American Nurses Credentialing Center recognizing excellence in nursing care.

Indiana University Health
